**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want more providers and more choices. Competition is good for the economy. I do not want regulations that restrict choices. Keep the telecoms honest. Internet pricing needs to be lower so more can access information. Information is good for democracy.
The FCC needs leadership change. The leader should support open access.
